

LEGAL STATUS

SAKAR has been registered under the Societies Registration Act of 1860, bearing the Registration. No. 21582\17 of 2003-2004 issued against KAD REGD NO 7500-468 of 1997-98.

AREA OF OPERATION

SAKAR had started its operation in Bhubaneswar slums. But at present its activities are spread to a number of places across the boundaries of Bhubaneswar, Khordha, Nayagarh, Puri, Ganjam, Dhenkanal districts.

VISION MISSION GOALS

Like many other NGOs, SAKAR has taken great pains to articulate up its Vision, Mission and Goals. VMG is a guided beacon that tells us, within the hustle and bustle of daily routine, what real contribution our activities make to society. It is a restless vision, a Vision that is constantly putting to test our great ideas of women's emancipation as the major determinants for escape from the misery of being poor.

VISION

To work towards a society where all children and women have equal opportunities to grow to their full potential.

MISSION

A quest for an exploitation-free and balanced society based on long cherished human values, social and economic freedom, and justice to one and all with special focus on the all round development of women and children, girl child in particular.

GOALS

- ▶▶ To integrate the children of the underprivileged community into the mainstream of the society.
- ▶▶ To rehabilitate marginalized children with necessary guidance, vocational education and related activities.
- ▶▶ To promote and undertake social services aimed to improve the living conditions and economic standard of the poor and the weaker sections of the society.
- ▶▶ To work towards greater involvement of women in social network. Formation & nurturing of SHGs through entrepreneurship and relevant activities.
- ▶▶ To make learning as the corner-stone for liberation and social justice by providing need based vocational training to slum/rural children, providing literacy for parents, and undertaking family counseling against atrocities.
- ▶▶ To promote plantation drive motivation and awareness for environment and campaign for "Green " work towards climate change and global warming.

Implementation of Disaster Risk Management to reduce vulnerability of the communities to natural disaster in identified multi hazards prone areas.

STRATEGY

To ensure the practical applicability of the mission and vision and make the marginalized people arrive at a new horizon of development, SAKAR has chalked out the following strategies:

Preparing a band of active and effective volunteers for increasing the awareness of marginalized population about their responsibilities and rights, land rights as parents and citizens in the changing world. Volunteer will be a bridge for the students to facilitate communication between school authorities, parents, government agencies and the social activists.

- ▶▶ Facilitating access of the downtrodden people to formal financial sector as well as government machinery.
- ▶▶ Ensuring timely and accessible justice for the poor people, especially women.
- ▶▶ Fact-finding and documenting the violation of the socioeconomic and political rights of the people in general.

GROUP DYNAMISM

The inner dynamic atmosphere of SAKAR is the source of inspiration for each and every staff for which they cultivate a spirit of activism and a propensity to work towards social development

ACTIVITIES

The mainstream programs that have very great contribution to our standard goals defined by the VMG are:

- Children's education through effective teachers & Early Child hood care cum bridge course centers
- Eradication of child labor & ensure actualization of RTE.
- Improving lively hood strategies for mothers and women, SHGs are the main thrust.
- Road safety awareness programs are conducted to create awareness among youth. Good driving habits, usage of helmets, follow the rules of the Government for personal and others safety while on the roads.
- Go green, plantation in the open areas in the rural /semi urban areas. Awareness for plantation is being conducted; usage of used water for the plants is being propagated.
- Yoga being imparted to all age groups extensively.

1.Marginalized CHILDRENS EDUCATIONAL PROGRAM:

GOALS

- Preparing a band of active and effective volunteers as a bridge for the students to facilitate communication between authorities, parents, Government agencies and social activists.

- SK Ashik elected Child Parliamentarian

- Two students SK.Ashik and Sumeet Lakhua went to Delhi to participate in the Sustainable Development Goals and childrens parliament organized by Nine is Mine ,Pretyek New Delhi. SK.Ashik has been elected as a deputy Minister for Clean water and sanitation. Every fortnight he participates in the on line zoom meetings and discusses various issues of children for their growth.

ACHIEVEMENTS DURING THE YEAR.

- 45 children are able to keep up with the school activities.

- Readmission of school dropouts.

- Twenty children are admitted into age appropriate classes in to different Government schools. Tarinisahi,Mundasahi Mali sahi, were readmitted in the Govt High School, Gondamunda, NAC colony Primary school, T.B.P.C.U G.U P School,.
- Achievements to Date

- Provision of School uniform dresses by inviting corporate sector, special thanks to Individual donors who came forward for this who has been liberal donors for this program.
- 43 rural communities are mobilized to send their children to schools through the cultural programs, on education, health and hygiene. Marginalized children are participated in the plays, songs and other entertainments. These programs are eye openers for the parents/ guardians.
- Wall writings were done with the message of education for all children and rights of the child. In the important places like school boundaries, community walls, public places of people interest. This wall writing has impact on the parents and community.
- **SAKAR conducted regular meetings in the communities to make people aware of the Rational use of Medicines and mobilize community to take care of health of their people.**

- Sakar has been helping women in earning their lively hood. The cases of some women are highlighted in this regard. They not only earn for themselves by making ropes out of used poly bags they even employed others with them. They are able to earn Rs 150/- to Rs250/- per day.

Strategy

- The poor have lives of their own. They also have strategies. What they lack is “ VOICE ” a thing that easily comes to SAKAR. To assist in their lively hood,

Institutional Capacities Built.

- Providing vocational training and linking the poor to sources of financial capital makes more opportunities available to the poor people. SAKAR has steady progress in acquiring institutional capacities to change the lives of the poor.
- Spotting talents fitting the vocation to the person and putting in the right word has since become routine for SAKAR.

IMPROVING GENDER RELATIONS

KUMARI PATRO Received Ananya Prathiba Award 6th from the left.

- Helping women to break gender barriers by making use of the many opportunities provided by institutions and Govt schemes. Smt Kumari Patro of Chikili village in Khallikote block,district Ganjam has been awarded with Ananya Prathiba Award by National Alliance of Women for her out standing work in the field of women empowerment being a single women.She is the inspiration now to many youngster in her village,family and outside also.

- Ensuring timely and accessible justice for the poor people, especially women for legal awareness, consumer awareness.
- Fact finding and documenting the violation of the socioeconomic and political rights of the people in general. Specially domestic workers in semi and urban areas.

Achievements in the year.

SAKAR continued facilitation to women for availing institutional resources. The social milieu created by SAKAR helped women in the following programs.

- Facilitated Birth registration of New born children in the current year.

- Pulse polio program.
- Self Help groups.
- Facilitated conducting environmental awareness Global Warming to the people of Nayagarh, Itamati, Mali sahi i, Bodopandisur villages of Nayagarh districts, Gollapatana, Bhuinpur, Begunia villages of Khurda district and Dhenkanal districts.
- P.C.R.A. Work Shops awareness on the conservation of energy has been conducted in more than 16 districts of Odisha including naxal areas of Malkana giri, Koraput, Khandamal, Gajapati, Raygada areas.
- Community meetings are organized by SAKAR once in two months to review the progress of children with regard to education and skill development etc
- Youth from urban and rural areas participated in the work shops on “How to conserve petroleum products” sponsored by Petroleum Conservation Research Association, under the Ministry of Petroleum and Natural Gas. These workshops caught the attention of High schools/colleges.

Achievements to date

80 Self help group leaders were given skill development training in the Begunia Block to address the women financial and skill problems, to empower them with entrepreneurship development and better agricultural & horticulture practices. Agriculture workshops were conducted to create awareness among the farmers for better crop yield, in Ganjam district of Orissa.

- Self-employment for women.

Around 60 self help groups were formed in the Begunia Block. 1386 ladies became members. They started saving in the UCO Bank Begunia, Puri Gramya Bank, Begunia and State Bank of India Khurda Branch. They continue to use the bank linkages, credit and saving habits for earning Rs 100/- to Rs 150/- per day by running small business enterprises.

Institutional Capacities Built:

SAKAR has developed and fine-tuned capacities for creating access to women to institutional schemes through the judicious use of group activities.

SOCIAL CAMPAIGNS

Social campaigns are part of the menu to arouse dormant feelings of empathy that is innate to human beings. One cannot imagine initiating and sustaining the many activities of SAKAR with the masala and the verve that these campaigns create in the lives of ordinary women. Often times the cause is immaterial, as idea in one-campaign blends into other related fields. It is day of for the poor that would ease the daily grind of very serious lively hood occupations. Once the idea gains momentum, it gains life of its own.

The following gives a flavor of public goods these campaigns generate.

Study materials, school uniforms, school bags, water bottles were distributed to the children at Tarinisahi and Mundasahi.

- Observed the world day against Child labor on 12th May 2021, organized a rally where 50 adults were participated they raised the slogans of child labor, rally started at Master Canteen square and terminated at PMG Square.
